RE: GEORGE SIPEL

On September 15th, 1926 I reported interview which Mr. Watson and I had with the above named. I find that a mistake was made in typing this report which should be corrected in the copies, namely, on page two, about three fifths of the way down you will find a sentence which reads, "Not finding Mrs. Russell, Sipel and the officer drive to New Brunswick, where they endeavored to find Justice of the Peace Flammer, for the purpose of making a complaint against Russell." The town to which they drove was Bound Brook and not New Brunswick.

Will you kindly have the report corrected accordingly?

Respectfully yours,

DAVID THOMSON
